Tegar Sukma Abiyasa

Talent Ready | Electrical Engineer | CAD Designer | Muslim
Ngawi Regency, East Java, Indonesia

Summary

Experienced as CAD drafter with 2+ years of experience in developing detailed technical and visual drawings for projects. Proficient in AutoCAD, Autodesk Fusion, Lumion and Revit, and have a deep understanding of design principles and design concepts. Ability to prepare project quantity and cost estimates. Committed to delivering high-quality results within tight deadlines. Looking forward to applying my technical skills and creativity to create innovative and efficient design solutions.
